## COLOR HALLWAYS

Just a guess, but the word you'd use to describe your hallway probably isn't one of these: glamorous, mysterious, dramatic, delicious, warm, intimate, exciting. But it could be!

Interviews by  
CHRISTINE PITTEL

“To reduce that long tunnel effect, you have to dematerialize the walls. Lacquer them to reflect light or, most swish of all, use this pale silvery gray metallic paint. It will make everything shimmer. Add rock crystal Baguès sconces and a giltwood mirror to take it to the most glamorous, angelic plane.”
